Building Fund: At present there is currently c. £8000 in the building fund account after £5000 was paid for the painting of the house. It is estimated c. £7000 is required for presbytery renovations (flooring, furniture, new lights, electric sockets etc), this obviously leaves us with a small amount in the account to cover any repairs which require to be made. If anyone is willing to make a donation it would be gratefully received. Please see Father Piotr.

CONTACTLESS COLLECTION: If you don't have cash with you and you are still willing to donate some money to help parish with daily maintenance - we have solution - card machine at the back of the church on a table. Choose any amount you wish and tap the card. You can also support our parish by making on-line donation on our website: www.kincorth.rcda.scot.

Fabric Collection: There is a donations box at the back of the church for anyone who wishes to continue to make donations to the building fund. There will be no second collection unless it is mandatory.
